primers

LOXON® Concrete & Masonry Primer/Sealer

- Seals and adheres to concrete, brick, stucco and plaster Conditions porous masonry surfaces
- Use on above-grade masonry surfaces for a long-lasting finish
- Apply to masonry and concrete surfaces that are at least 7 days old
- Prevents harm to subsequent coatings by alkali in the substrate

Extreme Block Interior/Exterior Stain Blocking Primer

- Powerful stain blocking formula keeps stains from bleeding through
- Fast-drying formula
- Dependable adhesion to multiple substrates including wood, drywall, masonry and properly prepared metal
- Excellent bonding. High hiding
- Easily sands to a uniform surface to achieve a smooth finish
- Interior or exterior use

Drywall Primer

- A great choice for basic priming at an affordable price
- Well-suited for priming under flat topcoats
- Performs on drywall, wood and plywood

LOXON® Water Blocking Primer/Finish

- Primer and finish coat in a single product seals bare interior masonry walls from hydrostatic moisture penetration.
- Resistant to moisture up to 12 psi for above and below grade interior and above grade exterior use.
- Can be tinted to a wide range of colors
- May be used as a primer/finish or to maintain odor-reducing benefits.
- May be topcoated with Harmony® Interior Latex finishes.

Moisture Vapor Barrier

- Designed to reduce the loss of moisture through walls and ceilings
- Combines a primer and finish in one single fast drying coat
- Is specially formulated for manufactured housing facilities

Multi-Purpose Interior/Exterior Latex Primer/Sealer

- Assures uniform appearance of topcoats
- Fast dry
- Apply at temperatures down to 35°F
- Assures adhesion of the topcoat to slick, glossy surfaces
- Seals out solvent sensitive stains - tar, solvent based markers, and minor dried water stains and tannin
- Provides easy "slip" for positioning of wallpaper

Multi-Purpose Water-Based Acrylic-Alkyd Primer

- Seals and blocks stains – especially water-based stains
- Dries quickly and assures a uniform finish
- Interior and limited (spot prime) exterior applications

PrepRite ProBlock Interior/Exterior Latex Primer/Sealer

- Assures a uniform topcoat appearance
- Blocks stains
- Improved long-term adhesion and performance
- Versatile with low temperature application down to 35° F.
